

WORSHIP SERVICE, SUNDAY, MARCH 27, 2022, 10:30 A.M.

Please join us for worship (and remember: invite a friend!) on the Fourth Sunday in Lent, March 27th. Our Scripture readings this Sunday are: Psalm 32; and 2 Corinthians 5:16-21. The title of the sermon is "A New Creation," and a copy of the Bulletin for this service can be found here:

WE DID GET TOGETHER, AND WE REALLY HAD A GOOD TIME!

Fried chicken and home-cooking-- it doesn't get any better than that! All who gathered for our Fellowship Luncheon after our worship service last Sunday, March 13th, enjoyed themselves immensely-- and nobody left hungry!

Your pastor was having such a good time that he forgot to take any pictures of our joyous time together. Did anyone in the congregation happen to take a picture or two of our happy members enjoying their time with one another? If so, please contact Erica Colding in the church office regarding how we might get copies of your pictures to publish in our next Newsletter and to keep in our church's "memories" file. We would be very grateful if you could help us out.

Also, let's all join together in extending a special word of thanks to the Caregiving & Fellowship Committee-- Lynn McAuley, Gayla Whitaker, and all the dear folks who helped them. Isn't it wonderful how fried chicken, iced tea, cookies, ice cream, and lots of other good things "magically" appear whenever we do something like this? Of course, it isn't magic. These things happen thanks to the love, care, and attention of so many generous saints in our midst. Thank you for helping make our first (but not last!) fellowship event of the year such a great success.

OUR FORWARD JOURNEY

Maintaining our momentum from the energy and inspiration we gathered during our annual retreat last month, members of the Session have organized themselves to carry out an "outreach initiative" to all those individuals who are recorded as members on the rolls of our church.

In the several weeks before our next Session meeting, Ruling Elders who are currently serving on the Session will be reaching out to *you* asking for your help as, together, we consider (and implement!) fresh, innovative ideas for the growth and advancement of our beloved church.

A church that does not move forward risks stagnation, and that is something that those who have preceded us in the 181-year history of our church were unwilling to accept. When you are called by a Session member, please share your thoughts and your dreams about those things we could begin doing *now* as we continue our worship and ministry in the Crossroads area.

What do you believe FPC is doing well these days? What do you think we could do to enhance our worship, to attract new members, and to attract younger members? We must not be timid about asking or answering these hard questions, for in our deliberations we shall be doing the work of building God's kingdom on earth-- something that never has been, and never will be, an easy thing to do. Nevertheless, every congregation before us has faced and addressed these questions, and we are the beneficiaries of their hard work. It is time now for us to consider the legacy we will leave as we continue our forward journey, doing the work of the Lord!

SAVE THE DATE FOR PDS SUNDAY: APRIL 3, 2022

This year, PDS Sunday will be April 3, 2022. Our young disciples from the Presbyterian Day School will be in the Sanctuary, with their families, to raise their voices in song. We'll say more about this next week, but meanwhile, please be sure and mark your calendars to come share in this always joyful occasion (and don't forget to invite a friend!).

HAVE YOU VISITED OUR WEBSITE LATELY?

By all accounts, we have a very attractive website (www.fpcofvictoria.org). At its February Retreat, one of the issues discussed by the Session was our sense that the church's website is underutilized and underappreciated.

To rekindle interest in our website, our Worship Committee is working with Erica Colding in an effort to "post" more real-time events and announcements. For Lent, we have added a "daily devotional" feature not only to encourage you to use the website but also to enhance your worship experience during the Lenten Season. Look for it under the tab marked "Holy Seasons."

Our goal is to make our website a handy and habitual place for you (and visitors, we pray!) to follow the weekly activities of what the Session plans to be our increasingly dynamic church!

The current state of our economy, the actions going on abroad, the lingering after-effects of the pandemic; all are factors that we, as a nation, community & more local, as an organization that serves those in need chronically or in times of crisis that requires preparation. Short-range or long-range, VCAM wants to be prepared to continue to offer its services adequately & consistently.

VCAM is the largest food pantry in the surrounding 11-county area serviced by the Food Bank of the Golden Crescent. In times when the Food Bank inventory is short on product, VCAM shops retail, just like you or I would as individuals. Our pantry is open to residents of Victoria County on a weekly basis, Mon. – Fri., 9 a.m. – noon & services range from the food distribution, clothing store, financial assistance for past due water & natural gas utility bills, prescription medications & gasoline vouchers for out-of-town medical appointments. Financial assistance services are performed Mon. – Thurs., while funding is available.

Clients come on a once-a-month basis, while our homeless population is serviced on a daily basis. I mention all of this, as a "heads up" to all as to how/when the operation is run; & operated primarily via volunteers. And of course, *all services are provided free* because of the generosity of others.

Please continue to refer those who require our services to VCAM & please continue to support.

Your support is always valued and very much appreciated... *Marc* "Providing hope when things seem hopeless..."

Peace, grace, and mercy,

Pastor Jim
